

Yeah, your
dancing skill
is just so so

I kind of
like you.

How about this?
I treat you as my
younger brother from
now on, or you treat
me as your older
brother. Both
are ok.

You really like
letting others
become your
relatives!

Brothers?

...

No, but we
can be
friends.

One week ago

The quickest way for you to debut is to form a group with others and debut together...
